

Dawson Rural Fire To Purchase New Truck

**(KLZA)-- The Richardson County Commission has approved the purchase of a new fire truck for the Dawson Rural Fire Department.**

**Representatives of the Fire Department presented plans to the Commission this week for the purchase of a 2017 Ford fire truck at a cost not to exceed \$50,114.**

**The truck will be financed for a year through a loan with the State Bank of Table Rock Humboldt Branch at a 2.5 percent interest rate..**

**The new truck will replace the current truck that is 40 years old. Plans are to sell the current fire truck.**

**The purchase requires bonded indebtedness, which must be approved by the Commissioners. Richardson County is not responsible for the cost of the truck.**
