

Hoyt Woman Injured in Wreck

(KNZA)--A two-vehicle rear-end collision on U.S. 75 Highway in Shawnee County Thursday morning left a Hoyt woman injured.

The Kansas Highway Patrol says it happened shortly before 8:00 about a ½ mile north of I-70.

The Patrol says 32-year-old Katie Moss was southbound and had slowed with traffic when her SUV was struck in the rear by another SUV driven by 25-year-old Topeka resident Eric Palmer, which failed to slow in time.

Moss, who was wearing a seatbelt, was transported to Topeka's Stormont-Vail Regional Health Center by private vehicle for the treatment of unspecified injuries.

Palmer was not hurt.
