

USD 115 Hires Instructor for New Vo-Ag/FFA Programs

(KMZA)--An instructor has been hired to lead the new Vo-Ag/FFA programs to be implemented at Nemaha Central High School beginning next school year.

On the recommendation of Superintendent Darrel Kohlman, the Nemaha Central Board of Education Monday evening approved the hiring of Bradley Goering of Ashby, Nebraska.

Kohlman says Goering has several years of experience as a Vo-Ag teacher and FFA advisor—including in Kansas. He says Goering also has experience as an extension agent, in the private industry and ag business and operating his own cow/calf operation.

Goering was among six candidates interviewed for the position.
