Effort Underway to Recall Table Rock Village Board Member

(KLZA)-- An effort to recall a Table Rock Village Board member is underway.

According to the Pawnee Republican a petition has been filed to recall Wayne Schulenberg who was elected to the Board in 2014.

64 valid signatures have been verified by the Pawnee County Clerk's office. 38 signatures of registered Table Rock voters were required to trigger the recall effort. County Clerk Candi Nicholas will set a recall election to take place within 30 –75 days.

The recall petition alleges Schulenberg repeatedly violated the Nebraska Open Meetings Act, had taken significant actions without Board approval and mishandled personnel matters.
