

Falls City Woman Injured in Wreck

(KLZA)-- A two-vehicle wreck Monday evening in Falls City sent a Falls City woman to the hospital.

The Falls City Police Department says it happened shortly after 7:00 at the intersection of 20th and Barada Streets.

According to the Falls City Police report, 24-year-old Sarah Lunsford was westbound on 20th Street. She said she stopped at the intersection and thought the pickup that was southbound on Barada was far enough away so she proceeded into the intersection and the collision occurred.

17-year-old Jacob Meyer said he looked down at his speedometer and when he looked up he hit the Lunsford car.

Lunsford was issued a citation for failure to yield the right-of-way.

She was transported by private vehicle to Community Medical Center in Falls City with a possible, but not visible head injury.

Meyer was not hurt.
