I-29 Work Scheduled in Holt County

MOUND CITY, Mo. – Pavement repairs will require the closure of one lane of northbound Interstate 29 next week.

Local maintenance crews plan to close the northbound driving lane of I-29 at mile marker 75.6 near the Oregon exit on Monday. The lane will close at approximately 7:30 a.m. Monday and will remain closed overnight. The lane should reopen by 8 a.m. Tuesday. During the closure a 13-foot width restriction will be in place.

All scheduled roadwork is weather permitting and subject to change.
