New Manager at Doniphan Electric

(KNZA)--Troy-based Doniphan Electric Cooperative has a new manager.

***The Kansas Chief* reports James Lednicky took over as manager June 1st.**

He replaces Jim Currie, general manager of Brown-Atchison Electric Cooperative, who had also been serving as manager of Doniphan Electric since October of last year.

The 58-year-old Lednicky previously worked for Rainbow Telecommunications, retiring as general manager April 1st. Lednicky began work with Rainbow in 1988 and took over as general manager in 1998.

Doniphan Electric is the smallest Rural Electric Cooperative in the state of Kansas serving over 1,650 residential and business consumers.
