

## Kansas Water Authority RAC Membership Drive

**The Kansas Water Office is accepting applications from those who would like to participate as a member of one of the 14 Regional Advisory Committees (RAC) established by the Kansas Water Authority (KWA). Interested individuals are encouraged to apply soon as the deadline for the Regional Advisory Committees (RAC) is only two weeks away.**

**These committees play a key role in advising the KWA on implementation of each region's water supply priorities as part of the *Vision for the Future of the Water Supply in Kansas* as well as provide advice on the identification of water-related problems, issues and concerns. The committee selection process will ensure all of the water users and interests within the region are represented.**

**Interested persons can find the application at [www.kwo.org](http://www.kwo.org). The application deadline is July 15, 2017.**

**Kansans can have a definite impact on the future of water resources through RAC membership. For further information please visit [www.kwo.org](http://www.kwo.org) or call: (785) 296-3185 or 1-888-526-9283.**
