

Mound City Man Injured When Truck Overturns

(KLZA)-- A Mound City man suffered injuries described as minor when the semi-truck he was driving rolled onto its side spilling a load of grain Monday afternoon.

The Missouri State Patrol report indicated 56-year-old Daniel Morris was westbound on U.S. Highway 59, a half-mile east of Craig, Missouri, attempting a left turn onto Interstate 29 south when the 2004 Peterbilt began to skid and traveled off the right side of the road.

The truck and trailer overturned onto the passenger side off the right side of the roadway.

Morris was transported to Fairfax Community Hospital by private vehicle for treatment of his injuries. The truck sustained extensive damage.

The Missouri Department of Transportation, Holt County Sheriff's Office and Craig Fire Department responded to the scene of the wreck.
