**NioCorp Planning Town Hall Meeting On Mining Study
(KLZA)-- NioCorp Hosting Town Hall Meeting and Dinner**

NioCorp Developments recently announced plans for a town hall meeting and dinner to discuss details of the Elk Creek Project Feasibility Study.

The event will be Friday, September 8, at the Kimmel Ag Expo Center in Syracuse beginning at 6:00 P.M.

Company officials including Executive Chairman and CEO: Mark Smith and Elk Creek Resources Corporation President Scott Honan will be on hand to present details of the Project Feasibility Study and answer questions from participants.

In announcing the meeting, Smith called the feasibility study positive and said they will discuss how the company plans to move the project to construction and eventually to a commercial operation.

**Advance registration is required and can be accomplished two ways.
By phone at 1-855-2-NIOCORP and selecting option 1.**
