Inmate Death at Nebraska State Penitentiary

**(KLZA)-- Foul play is not suspected in the death of a Nebraska State Penitentiary inmate at Lincoln.**

**A Department of Corrections news release says 35-year-old Lucius Turner collapsed Monday afternoon while playing basketball.**

**Staff members administered CPR and called 911.**

**Turner had been incarcerated since March of 2008. He was serving a 40-55 year sentence for two counts of robbery from Gage and Lancaster counties.**

**An autopsy will be completed to determine the cause of death. As is the case when an inmate dies in the custody of the Nebraska Department of Correctional Services, a grand jury will investigate.**
