

Atchison Wreck Injures Two

(KAIR)--Hospital transport is required for two following a double vehicle Atchison crash Thursday afternoon on U.S. Highway 59.

Atchison Police Captain Tim Stout tells MSC News it happened when a westbound vehicle, driven by Steven Gilliland, collided with an eastbound vehicle, driven by Sara Dillinger, as she was attempting to turn left onto the 6th Street viaduct.

Dillinger required extrication from her vehicle following the wreck.

Stout says both drivers were transported from the scene by EMS and taken to area hospitals for the treatment of their injuries.

The wreck, which happened shortly after 3:00, remains under investigation.
