Pearls of Production

Women in Agriculture will bring "Pearls of Production" special program to the University of Missouri in Columbia Missouri on Friday, November 3rd and Saturday, November 4th. This program is a hands on program for women in agriculture, brought to you by MU Extension.

Friday the Keynote speaker is Ashley McCarty, Executive Director of Missouri Farmers Care. Saturday "Down and Dirty" will consist of hands on learning. Friday evening will feature a tour and sausage making demonstration at Central Missouri Meat and Sausage, a local processing facility in Fulton, MO.
