Mound City School Board Meets

(KLZA)--The Mound City Board of Education approved lease refunding certificates on the school districts building project when they met Tuesday.

It is anticipated the action by the board will reduce future interest payments by nearly \$216,000.

Superintendent Ken Eaton discussed the possibility of the Mound City School becoming the fiscal agent for an 18-school Special Education Cooperative. Action on the proposal is anticipated to take place during the November Board meeting.

A number of Board policies were reviewed. Policy #2785 is a Student Suicide Awareness model policy and was adopted by the Board.
