

Details released regarding Iatan area fatal wreck

(KAIR)--The investigation continues into the cause of a late Saturday afternoon crash that left two Kansas City men dead and an Atchison woman injured.

The Platte County Sheriff's Office identifies the victims as Joshua Lindsay and Andrew Davidson, both 23-years-old.

The two were traveling northbound in the southbound lane of Missouri Highway 45 when their Grand Marquis, driven by Lindsay, smashed into a southbound Rav4, driven by 18-year-old MaKayla Lowe, of Atchison.

She required helicopter transport for hospitalized treatment of what authorities Saturday identified as non-life threatening injuries.

The Sheriff's Office says the Grand Marquis was passing vehicles at the time of the fatal wreck, which occurred after 4:30 Saturday afternoon, near the intersection of Westside Drive, north of Iatan.

Alcohol may have played a role in the crash.
