Tie broken for positions on local board

(KMZA)--A 5-way tie has been broken from the November 7th general election for two positions on the Baileyville Improvement District #1 Board of Directors.

The Nemaha County Commission Monday drew the names of write-in candidates Darin Schmitz and Eugene Strathman from a hat to break the tie.

Three positions were up for election on the Board.

Charlie Koch, who received 17 votes during the November 7th election, won the other position.
