(KAIR)--The recent burglary of an Atchison residence remains under investigation.

Atchison Police Chief Mike Wilson tells MSC News the crime was reported Saturday by resident James White. "Officers investigated a burglary that occurred at a residence in the 1500 block of North 7th. Taken from the residence included jewelry, clothing, and tools."

The missing items are valued at around \$2,000.

Wilson says investigators are working to track down who might have been responsible for the burglary. "We're still following several leads. We know that the victim had gathered up belongings in the residence as he was preparing to move, had left for several days. Believe the burglary occurred sometime between Thursday and Saturday."
