

Local twist in search for missing NE woman

**(KLZA)--FBI investigators have named two people of interest in the disappearance of a Lincoln woman.**

**During a morning news conference Thursday, it was revealed that 51-year-old Aubrey Trail and 23-year-old Bailey Boswell were arrested on warrants, unrelated to the disappearance of 24-year-old Sydney Loofe.**

**Where the two were taken into custody has not yet been stated publicly.**

**Since the time Trail and Boswell were publicly identified as persons of interest, the two have posted at least three videos on Facebook denying any role in Loofe's disappearance.**

**In at least two of the videos, which have since been taken down, Trail names Richardson County Attorney Doug Merz as his attorney.**

**Thursday morning, Merz issued a release to MSC News, stating, “ I am not representing Aubrey Trail of Wilber, Nebraska , regarding any current legal matters in which he may be involved and I will have no further comment.”**

**Authorities confirm that the last sighting of Loofe was in Wilber on November 15.**

**Searchers spent hours Wednesday in areas of Saline and Gage counties, including ponds and creeks, seeking any signs of Loofe's whereabouts.**
