

Jackson Co most wanted captured

(KNZA)--A man who had been sought by Jackson County authorities on multiple charges, including kidnapping and aggravated assault, is in custody.

Jackson Co. Sheriff Tim Morse tweeted Friday morning that 33-year-old Shaun Barber has been captured.

Details surrounding his arrest were not immediately available.

Morse had sent out a news release Wednesday seeking the public's assistance in locating Barber, and offering a reward for information leading to his capture.

Warrants were issued last month for his arrest on charges of kidnapping, two counts of aggravated assault, aggravated battery and domestic battery stemming from a December 8th domestic incident on the Prairie Band Potawatomi Reservation near Mayetta.
