Frankfort woman killed in wreck

(KMZA)--A single-vehicle Pottawatomie County wreck late Friday night claimed the life of a Frankfort woman.

The Kansas Highway Patrol says 65-year-old Stephanie Slifer was southbound on K-13, just south of Carnahan Creek, when her Ford Edge went off the right side of the highway. The vehicle overturned once, landing on its roof.

Slifer, who was wearing a seatbelt, was pronounced dead at the scene.

She was the lone occupant in the vehicle.

The wreck was reported around 10:00 Friday night.
