Vermillion woman injured in crash

(KMZA)--Details have been released on a single-vehicle Nemaha County wreck late last Thursday night that sent a Vermillion woman to the hospital.

The Nemaha County Sheriff's Department says 53-year-old Joy Carsten was eastbound on 56th Road, about one-quarter mile east of E Road, when she lost control of her Chevy Tahoe on the ice. Her vehicle left the roadway and struck a tree in the south ditch.

Carsten was transported by ambulance to the Onaga hospital.
