Rumor wrong regarding Falls City safety

(KLZA)--Despite a rumor to the contrary, there is no threat to safety at the Falls City High School.

That statement is made Friday by High School Principal Gale Dunkhas.

Dunkhas, in a statement received by MSC News, says “there has been some misinformation about student and staff safety” at the high school.

Saying that the safety of the students is a priority, Dunkhas, in the statement, says the Falls City Police Department “will continue to have a presence in Falls City Public School buildings.”

Although there is no imminent danger, Dunkhas ends the statement by saying that “all threats should be reported to administration.”
