New Hiawatha city clerk selected

(KNZA)--A new Hiawatha city clerk has been selected.

On the recommendation of an interview committee, the Hiawatha City Commission Monday evening approved the hiring of Tish Sims, of Camdenton, Missouri, effective April 2nd.

Sims will fill the temporary role of clerk of the city, with anticipation of her appointment as city clerk in May.

City Administrator Mike Nichols says Sims currently serves as deputy city clerk in Camdenton.

She was among three candidates interviewed last week.

Current City Clerk Vivian Constable plans to retire effective May 7th when her position is up for re-appointment.

Sims will train under Constable until that time.
