Daylight Saving Time Begins Sunday

(MSC News)--Daylight Saving Time will begin at 2:00 Sunday morning.

Don't forget to set your clocks forward one hour before going to bed Saturday night.

Daylight Saving Time will run until Sunday, November 4th.

The Kansas Fire Marshal's Office urges residents to practice fire safety by testing their smoke alarms and changing the batteries. The office says alkaline batteries should be replaced at least once a year, and a good rule of thumb is to change the batteries when you change your clocks.
