Drugs seized, arrest made, following probe

(KAIR)--An investigation into illegal drug activity at an Atchison residence leads to the seizure of drugs and to one arrest.

According to Atchison County Undersheriff Toby Smith, the investigation focused on a residence located in the 300 block of Atchison Street.

It was there, Thursday, that the investigation led to the seizure of what Smith identifies as methamphetamine, marijuana, and drug paraphernalia.

Arrested at the scene was 35-year-old Amber Renee Hanlan.

She now faces charges of possession of methamphetamine, possession of marijuana and possession of drug paraphernalia.

Following her arrest, Hanlan was booked into the Atchison County Jail.
