Highland citywide cleanup set Saturday

(KNZA)--Saturday, April 21st has been designated as “Highland City-Wide Cleanup Day.”

Student athletes from Highland Community College will be available to assist in the removal of allowed items.

There will be a dumpster in the old depot area (East Pennsylvania & South Nebraska) from 9 a.m. until 12 p.m.

Any Highland resident can use the dumpster to dispose of items—including old appliances, air conditioners, mowers, furniture, sinks, tubs and toilets, bedsprings and mattresses.

The city will not be able to help residents dispose of hazardous waste.

The burn pile at the bottom of the hill east of Highland is open once again for residents to use for disposal of yard waste and tree limbs but NOT FOR TRASH!

If you need help transferring items to the dumpster, or picking up yard debris, you may ask for assistance by calling the Highland City Hall at 785-442-3765.
