

One injured in Jefferson County wreck

(KNZA)--A two-vehicle late Monday afternoon Jefferson County wreck sent an Ozawkie resident to the hospital.

The Kansas Highway Patrol says it happened shortly before 5:00 at the intersection of K-4 Highway and Northeast 46th Street.

The Patrol says 61-year-old Stephan Matheny, of Ozawkie, was stopped at the intersection when he attempted to make a left turn onto K-4 in front of southbound car driven by 34-year-old Joseph Boyette. Matheny's car was struck by the Boyette vehicle.

Boyette was transported to Topeka's Stormont-Vail Hospital.

Matheny, a passenger in his vehicle and a 9-year-old passenger in the Boyette vehicle were not hurt.

The Patrol says all the occupants were buckled up when the crash occurred.
