Apples and onions offered in Atchison

(KAIR)--Onions and apples are being offered at no cost, thanks to a partnership between the Atchison location of the Salvation Army and a regional food bank.

Salvation Army of Atchison County Coordinator, Kim Bottorff, tells MSC News both can be picked up Wednesday from 9:00 until noon.

There are no eligibility requirements, with both to be given away on a first come, first served basis, at the Salvation Army Office, located at 926 Commercial Street, in Atchison.

The onions and apples were delivered to the office through the efforts of the Second Harvest Community Food Bank, based in Saint Joseph, Missouri.
