Vacancy filled on USD 115 Board

(KMZA)--A vacancy has been filled on the Nemaha Central USD 115 Board of Education.

The Board during their regular meeting last week approved the appointment of Amy Huerter to fill position 3 on the Board.

The position, previously held by Joe Reitz, had been vacant since January.

Reitz resigned from position 3 after moving outside the position's boundaries.

He was elected in November to position 4 on the Board, which had been held by Ilene Enneking. The longtime board member did not seek re-election.
