

Marshall Co couple claim top lottery prize

**(KMZA)--A Marshall County couple has claimed the top prize of \$1,000 a day for life in the Kansas Lottery's Lucky for Life game.**

**According to the Kansas Lottery, the couple arrived at Lottery headquarters in Topeka Wednesday to claim the prize.**

**The winners, who chose to remain anonymous, matched all five numbers and the Lucky Ball on a Quick Pick ticket in Monday's drawing.**

**The couple didn't check their tickets until Wednesday, even though they knew that someone had won the big prize.**

**For ten years now, the couple said they have bought tickets twice a week for the draw games.**

**The couple opted to take the cash option instead of the annuity prize, which is \$5.75 million dollars before taxes. The prize is large enough for both of them to consider retiring early and quitting their jobs.**

**The couple say they plan to use their newfound free time and money to get back into old hobbies and to take a few trips they've been putting off.**

**The winning ticket was sold at CJ Express in Marysville.**
