Revised 2018 Seneca city budget adopted

**(KMZA)--The Seneca City Council has adopted a revised 2019 city budget of \$11.6 million that keeps about the same mill levy.**

**Approval came during the Council's meeting last week.**

**The budget contains an estimated tax rate of 32.338 mills.**

**City Administrator Matt Rehder noted its the 7th straight year the mill levy has remained steady.**

**The budget calls for the city to collect more than \$760,000 in local taxes—almost \$33,000 more than last year. That's due to an increase in city's assessed valuation.**

**The city's first budget proposal, approved for publication at the Council's July 2nd meeting, contained a more than 4 mill increase in the levy.**
