According to the Kansas Lottery, one ticket sold in northeast Kansas matched the first five numbers, but not the Lucky Ball, to win \$25,000 a year for life.

The winning numbers in Monday night's drawing were 6-8-12-19-32 Lucky Ball 17.

The northeast region of Kansas includes twenty-one counties—including Atchison, Brown, Doniphan, Jackson, Jefferson, Leavenworth, Marshall, Nemaha and Pottawatomie.

The lucky ticket holder has 365 days from the date of the drawing to claim the \$25,000 a Year for Life prize. Once the ticket is claimed, the winner has 60 days from the claim date to decide if they wish to take the \$25,000 a Year for Life annuity payments or the cash option of \$390,000.

This is the third \$25,000 a Year for Life prize won in Kansas since the Kansas Lottery joined the game in November 2016.
