

Graduation date changed for Atchison Co seniors

(KAIR)--The Atchison County Community High School will hold graduation ceremonies on Saturday, May 11, at 4:00.

That was the date selected following a survey to determine when graduation should be held.

The input from the families of the ACCHS graduates was sought after the original May 18 date was called into question due to its conflict with graduation ceremonies for other local schools and colleges.

According to a post on the USD 377 website, 39 surveys were issued, with 82% of the respondents choosing to move the ceremonies to May 11, while 18% wanted to retain the original date.

During a special meeting Wednesday night, the Board of Education adopted a revised school calendar to reflect the change.
