Woman killed in Marshall Co motorcycle crash

(KMZA)--A Saturday afternoon Marshall County motorcycle crash claimed the life of a southeast Nebraska woman and left another person seriously injured.

The Kansas Highway Patrol says it happened shortly after 1:45 on K-9 Highway, about one mile west of K-99 in Frankfort.

The Patrol says 47-year-old Cameron Dodds, of Washington, Kansas, was eastbound when his Harley Davidson motorcycle went across the westbound lane and entered the north ditch. The motorcycle overturned several times, coming to rest on its side.

A passenger, 50-year-old Sterling, Nebraska resident Diane Thompson, was pronounced dead at the scene.

Dodds was transported by helicopter to Bryan Medical Center West in Lincoln with what the Patrol described as disabling injuries.

The Patrol says neither Dodds or Thompson were wearing helmets.
