Horton AD resignation accepted

(KMZA)--During a 5-minute special meeting Thursday morning, the Board of Education for the South Brown County Schools of USD 430 accepted the resignation of Travis George as high school activities director and head golf coach.

George had been hired for the positions in May.

The Board's action comes after George was arrested last month on multiple charges following a domestic disturbance at his Atchison residence.

He faces charges of domestic battery, criminal damage to property, criminal restraint and child endangerment, along with possession of marijuana and drug paraphernalia.

George remains free on bond.
