

HTRS and Pawnee City Schools propose football co-op
(KLZA)-- The Pawnee City and Humboldt – Table Rock – Steinaur School Districts will have representatives at the Nebraska School Activities Association Board of Control meeting in Lincoln Wednesday.

School Board members at each school have voted to approve a cooperative agreement to combine the schools football teams into one 8-Man team for the 2019 season if approved by the NSAA.

Both schools are expecting low participation numbers for football in 2019.

Since the upcoming season will be the second year of the two-year scheduling cycle for football, the NSAA Board of Control will have to approve the cooperative agreement.

Local representatives will be on hand during the meeting to answer questions Board members may have.

HTRS and Pawnee City currently coop Junior High football.
