

Three treated following Thursday wreck

Credit: Jackson Co Sheriff's Office

(KNZA)--Three people were transported for hospitalized care following a two vehicle, Thursday afternoon crash, in Jackson County.

A report from the Kansas Highway Patrol says it happened shortly after 4:00 on U.S. Highway 75 at 190th Road.

A Chevrolet Trailblazer, driven by 57-year-old Patty Dalsing, of Denison, was eastbound on 190th when she failed to stop at the stop sign.

Her vehicle crashed into a Ford F150, northbound on the highway, and driven by 83-year-old Robert Allen, of Holton.

Allen and his 66-year-old passenger, Kathy Allen, also of Holton, were both transported to Topeka's Stormont Vail for treatment.

Dalsing was transported to a private hospital.

The Patrol reports that all three suffered suspected minor injuries, and were buckled up at the time of the wreck.

The crash caused a stretch of the highway to be closed late Thursday afternoon as crews worked the scene.

It reopened Thursday evening.
