Missing Horton child found safe

**(KAIR)--A missing Horton child has been located.**

**According to a news release issued late Sunday afternoon from the Kansas Bureau of Investigation, the Horton Police Department has notified the KBI that 11-year-old Gianna Hazelton has been found safely and is on her way home.**

**Additional details were not disclosed.**

**An alert for Hazelton was issued Sunday morning saying that she had last been seen in Horton Saturday night.**

**According to the initial release, authorities believed she was with a non-custodial parent, identified as Casey Hazelton.**
