

Plea entered in Seneca home invasion case

(KMZA)--A Goff man facing charges in connection with an armed home invasion last September in Seneca has entered into a plea agreement.

According to the Nemaha County Attorney's Office, Albert Scott III pleaded guilty Thursday in Nemaha County District Court to an amended charge of attempted aggravated robbery.

In exchange for the plea, six additional counts were dismissed.

Sentencing was set for the morning of April 25.

Scott is accused of entering a Seneca residence on September 29 of last year, armed with a .380 handgun, and taking tattoo equipment while someone else was inside the home.

It's also alleged that Scott, when being placed under arrest, interfered with the process, committing battery against a Seneca police officer.

He remains in the Nemaha County Jail, held on a \$300,000 bond.
