

Atchison Co Rd and Bridge Superintendent terminated  
**(KAIR)--The Atchison County Road and Bridge Superintendent has been terminated.**

**That follows a unanimous vote of the Atchison County Commission that came just prior to the adjournment of Tuesday's regular meeting.**

**Third District Commissioner Bill Pohl made the motion to end Seth Howard's employment with the County. "I make a motion, effective today, that we go in a different direction in our road and bridge, and Seth Howard is terminated as of today," Pohl said, just prior to the vote.**

**The decision of the Commission followed an executive session held to discuss matters of non-elected personnel.**

**Howard was present at the closed door meeting.**

**No reason for the decision was stated publicly.**

**According to Atchison County Human Resource Director Jamie Madison, Howard had served in the position since June, 2015.**
