

Architect hired for Pawnee City building project

(KLZA)--Pawnee City Council members have approved an agreement with Carlson, West, Povandra for architectural services on the Cornerstone Community Building Project.

During their April 22nd meeting the Council approved fees of approximately \$38-thousand for the Omaha firms services.

The cost for the upgrades to the building is estimated at approximately \$256-thousand.

Council members also reviewed the issues with voids under the deck at the swimming pool. Conversations are ongoing with Premier Pools and Spas to get the issues corrected.

Amendments to an ordinance concerning the keeping of wrecked vehicles and machinery, allowing exceptions with a Hobbyist permit was approved on final reading.
