U.S Highway 59 east of Atchison closes due to flooding  
**(KAIR)--U.S. Highway 59 is closed due to flooding.**

**The decision to close the highway, located in Buchanan County, Missouri, east of Atchison, Kansas, was made Wednesday evening by the Missouri Department of Transportation.**

**According to a social media post by Atchison County Emergency Management, the closing includes the Amelia Earhart Memorial Bridge, in Atchison.**

**Although barricades were put in place on the bridge Wednesday night, the social media post said it will remain open to local traffic only.**
