(KNZA)--New lighting is coming to the stage of the Hiawatha High School auditorium.

Included is around \$5,600 for installation services, which will be at the discretion of District Maintenance Supervisor Matt Cluck. The bid includes 60 fixtures and a console.

The bid from the other company, BA Supply, was around \$50,000 higher and would take about four times as long to deliver. It included 70 fixtures and a console.

Funding for the project will come from the Sandzen fund.

In other business, the Board approved a bid from Heartland Seating Company for new bleachers at the Hiawatha Middle School in the amount \$74,704.
