

Longtime USD 115 board clerk to retire

(KMZA)--Nemaha Central USD 115 has begun the search for a new clerk of the board.

That comes after the USD 115 Board of Education last week accepted the retirement resignation of longtime board clerk Colette Hermes, effective December 1.

Hermes has held the position for 31 years, beginning work in June 1988.

The Board also approved the hiring of two coaches for new middle school wrestling program.

Mark Mayberry was hired as head coach and Schuyler Mayberry as assistant coach.

The Board voted last month to add a wrestling program at the middle school beginning next school year.

In other business, the Board approved the purchase of a new intercom system from All Systems which will connect the district's two schools. It will upgrade the high school system, which is the original system in the building.

In addition, the Board approved a change in the 2019-2020 school calendar. Tuesday, August 20 will now be a staff in-service day, with no school for students.

The Board will hold their fiscal year end meeting Tuesday evening, June 25 at 6:00.
