Centralia man accused of aggravated burglary

(KMZA)--A Centralia man is facing charges of aggravated burglary and theft.

Nemaha County Attorney Brad Lippert says a complaint was filed in Nemaha County District Court charging 27-year-old Trevor Lee Guffey following an investigation by the Nemaha County Sheriff's Department.

Lippert said the complaint alleges that on May 19, without authority, Guffey entered a residence in rural Nemaha County in which another person was present and took a motor vehicle title.

He was arrested June 11 on a Nemaha County warrant by the Seneca Police Department.

Guffey remains in the Nemaha County Jail, held on a \$10,000 bond.
