

Atchison man injured in NW MO wreck

(KNZA)--A Monday morning two-vehicle northwest Missouri wreck sent an Atchison man to the hospital.

The Missouri State Highway Patrol says 20-year-old Shay Frazier was eastbound on Missouri Route 116, about 3 miles west of Lathrop in Clinton County, when his SUV crossed the center line. A westbound pickup truck driven by 60-year-old Lawrence Parsons, of Plattsburg, swerved to avoid a collision and Frazier's vehicle side-swiped the driver's side of his pickup. Frazier's vehicle then traveled off the roadway and overturned. Parsons vehicle returned to the roadway and overturned.

Frazier, who was not wearing a seatbelt, was transported by private vehicle to the Cameron Regional Medical Center with what the Patrol described as minor injuries.

Parsons, who was wearing a seatbelt, was not hurt.

The wreck was reported shortly before 8:30 Monday morning.
