

Student in custody following school threat

**(KAIR)--One student is in police custody following what's reported as a possible threat at an area school.**

**That's according to a Sunday night social media post on the official Facebook page of the Doniphan West School District.**

**According to the post, the district, during the weekend, "was made aware of information concerning a possible threat to student safety at Doniphan West Jr./Sr. High School." The threat apparently indicated that it would be carried out on Monday.**

**The Highland Police Department was alerted and investigated.**

**Details pertaining to how the threat was made have not yet been made public.**

**No information regarding the student has been released.**

**An additional social media post to the district's Facebook page Monday afternoon said that the school lockdown was lifted, and the regular daily routine was resumed.**
