

KHP touts seatbelt use in local wreck

**(KAIR)--The Kansas Highway Patrol is using the outcome of a local area crash to push the point that seatbelts save lives.**

**On Sunday evening, the KHP posted pictures to social media showing a car and truck involved in a Jefferson County Crash.**

**According to the post, the driver of the car walked away from the wreck scene, while the occupants of the truck also went uninjured.**

**The social media post opens with the sentence, “seatbelts save lives.”**

**The wreck occurred on U.S. Highway 24 and Wilson Road as both vehicles were traveling westbound.**

**According to a comment from the KHP on the post, the cause of the crash remains under investigation, but as it happened at sunset, sunglare is cited as a possible contributing factor.**
