

Johnson Brock school board approves bus purchase

(KLZA)--Johnson-Brock School Superintendent Jeff Koehler informed Board members during their September 11 meeting that the school districts share for the new bus will be \$47,727.

The rebate awarded to the school district will provide \$42-thousand toward the bus purchase. Later in the meeting the Board approved a bid to purchase a new bus from Truck Center Companies of Omaha through the Volvo Bus Rebate Program.

Board members voted to recognize the Johnson – Brock Education Association as the collective bargaining agent for the district teachers for the 2021-22 school year.

Principal Lucas Dalinghaus reported the school enrollment is 349 students which is down five students from last year. He also discussed the possible implementation of a random drug testing program at Johnson-Brock for all students involved in extra curricular activities.
