USD 415 board holds special meeting

(KNZA)--The Hiawatha School Board held a short special meeting Wednesday afternoon.

The Board took action on the only agenda item--approving the replacement of the wheel chair lift at the elementary school at a cost of \$19,250.

The current lift is out of service and parts are obsolete.

Funding for the new lift will come from the capital outlay fund.

Four board members were present for the meeting which lasted just 3 minutes.
